

Megaphone

**L2 ADDITIONAL INFORMATION**

The on-board megaphones are powered by 8 alkaline batteries (AA-size) each.

**HOW TO USE THE MEGAPHONE**

1. Hold the megaphone to the mouth.

*Note: Do not place the hand around the mouthpiece.*

2. Direct the megaphone towards the passengers.

**WARNING** DO NOT OPERATE THE MEGAPHONE CLOSE TO SOMEONE'S EARS. AMPLIFIED SOUND OR HOWLING CAN CAUSE DAMAGE TO THE INNER EAR.

3. Press the switch of the handle and speak slowly in a loud and clear voice.

**GENERAL**

An emergency escape hatch is installed in the cockpit.

Information about the emergency escape hatch is available in the following section:
